Report Card

Blue Grass Chemical Agent-Destruction Pilot Plant

To keep you better informed and seek your opinion, the Blue Grass Chemical Stockpile Outreach Office will be sending you post card mailers every so often. Please read it over, and if you have thoughts, comments or concerns, jot them down and send the card back to us.

- **Open House.** In June, a contract was awarded to the Bechtel Parsons Blue Grass Team to destroy the chemical weapons stockpile stored at Blue Grass Army Depot. The Program Manager Assembled Chemical Weapons Alternatives, known as ACWA, will host an open house for the community to meet the Bechtel Parsons Team on Monday, Sept. 29, from 5-7 p.m. at the Eastern Kentucky University Perkins Building.
- **Future Employment Opportunities.** Bechtel Parsons Blue Grass is committed to hiring locally as much as possible once construction begins. Currently, the facility is still in the design phase, and actual construction won't begin until 2005. For information on future job opportunities, please call (859) 625-1665 or send your resume to 301 Highland Park Drive, Suite 2, Richmond, KY 40475. Suppliers can register at the following Web site: <https://supplier.bechtel.com>.
- **New Web site.** Stay up-to-date on ACWA program information by visiting its new Web site at www.pmacwa.army.mil.
- **Questions?** If you have questions about disposal of the chemical weapons stockpile at Blue Grass Army Depot, please contact the Outreach Office at (859) 626-8944.

A Partnership for Safe Chemical Weapons Destruction

Your Comments: _____

- ☐ I am comfortable with the information you are providing. Please keep it coming.
- ☐ I have additional questions or would like to talk about scheduling a presentation. Please contact me.
- ☐ I am content that I have the information I need on the chemical weapons disposal project. Please remove my name from your mailing list.
